HOLIDAY HOMEWORK OF CLASS 1

Session 2026-27

Dear Parents,

As summer unfolds with brighter mornings and longer days, it offers our children a beautiful chance to slow down, explore, and grow beyond the classroom. Vacations are not only about relaxation—they are precious opportunities to strengthen family bonds and create meaningful experiences together.

A few thoughtful suggestions for the summer holidays:

- **Encourage independence:** Let children take small responsibilities at home to build confidence and life skills.
- **Spend quality family time:** Simple activities like cooking together, evening walks, or storytelling create cherished memories.
- **Support healthy habits:** Maintain balanced routines with proper sleep, outdoor play, and nutritious meals.
- **Explore learning beyond books:** Visit parks, museums, libraries, or engage in nature-based activities to spark curiosity.
- **Teach the value of empathy:** Encourage children to help others, share, and practice compassion in daily life.

May this summer bring joy, positivity, learning, and togetherness to every home. Wishing you and your family a safe, refreshing, and memorable vacation.

Warm regards,
Dr. Gayatri Kanwar

Dear Students,

This holiday, we invite you to look inward, reach outward, and grow. These tasks are not just writing exercises — they are real experiences to live, reflect on, and share. There are no wrong answers. Be honest, be curious, and enjoy the process. Happy Holidays!

CLASS 1 | My Feelings and Me

Hello, little star! Let's learn about our feelings this holiday.

Task 1 — Draw your HAPPY face □

Draw your happy face and your happy thing here — use lots of colours!

Task 2 — My Feelings Chart

How do you feel when these things happen? Draw a face (😊 ☹️ 😊) in each box.

When Mummy hugs me ...

When I lose a toy ...

When I play with a friend ...

When someone is unkind to me ...

Task 3 — Draw your family!

Draw every person in your family. Write their name below each person if you can!

Draw your family here — everyone who loves you!

Family / Holiday Connection: Ask a grown-up to help you write one thing you love about your family below your drawing. Then give them a big hug!
