

Message from the Principal

Dear Parents

As the summer break is going to begin soon, I would request all the parents to make ensure that the children have a good time in the vacation.

Children are born with natural curiosity and inquisitiveness about the world around them. It is important for us to help them keep this spark alive and to make learning fun. Therefore, it is important to engage active learning and playing games with them.

The new session started with a lot of enthusiasm and vigour. We had excellent moments of celebrations, quality lessons in classrooms, learning experiences with activities, a bagless day and fun.

It was a pleasure to see the confidence of the students grow through active participation. I hope you all have a good plan to relax and spend the summer holidays with your family and friends.

Hope to see the students back with the same vigour and more excitement for the next half of the term.

Happy Holidays!

Regards

Principal

PINEAPPLE CRAFT PEN STAND

Things required

- Plastic bottle, Green paper, Yellow paint
- Red sketch pen, Fevicol, Paint brush
- Tape

Procedure

- Paint the plastic bottle yellow and leave it to dry.
- Make a zigzag line on the green paper and cut the paper to form the shape of a pineapple top or the shoots.
- Cut the green paper in leaf shapes and stick them the top of the bottle so that the strings create a crisscross pattern.
- Make thorn patterns on the yellow paper with a red pen.
- Stick the top made of paper on the rim of the bottle.
- Your pineapple craft pen stand is ready.

PAPER EYEGLASSES

Material required: -

- A4 size pastel sheet
- Cellophane sheet or transparency film
- Scissors
- Glue
- Crayons, coloured pencils, markers, glitters glue, washi tape & stickers.

STEPS: -

1. Print out any of the templates below on A4 size sheet.
2. If you choose any of the non-coloured templates, colour them with crayons' or coloured with pencils. Use a single colour or make it as colourful as you like.
3. Cut out all three template pieces.
4. Cut out the eye holes as well.
5. Crease the side tabs- The front frame has a pair of side tabs, each bordered by a dashed line. Fold the side tabs towards the back. Unfold.
6. Glue the straight end of each arm (the part that extends over the ears) onto a side tab.
7. Decorate your eyeglasses with stickers, glitter, glue, small paper shapes, puffy paint and with other things.
8. Make the lenses out of cellophane paper or transparency film. Cut a pair to a size and shape that covers each eye hole. Glue the lenses at the back of the frame.
9. Once the glue dries, try on your awesome eyeglasses.

Don your thinking cap, wear your magic mantle to put forth your creative side. Have fun and frolic, build up your learning activities as a treasure, hope to see you soon.

Happy summers!

With best wishes!
